Painting by Pieter Zaadstra of Elio and a couple of his dogs.

Pieter Zaadstra learned the techniques of the School of Den Hague, won his first National award in the Netherlands at age 10, migrated to Australia and became a portrait painter and book author/illustrator. He has won a number of impressive awards for his very collectable artwork.

For 27 years Pieter also hunted over Gundogs (GWP), travelling around Australia. Purported to be now retired, Pieter is claiming to be leading a quieter life in the Murraylands in SA.

We thanks Pieter for his generous permission to use this image of Elio and his GSPs on our catalogue cover. zaadstra.com.au
